FAKHRUDDIN ALI AHMED,
President.

K. K. SUNDARAM,
Secy. to the Govt. of India.

Reasons for the enactment

In the *Godhra Electricity Company Ltd. and another vs. State of Gujarat and another* (Civil Appeal No. 2016 of 1973), the Supreme Court has held that sub-section (6) of section 6 of the Indian Electricity Act, 1910 is violative of sub-clauses (f) and (g) of clause (1) of article 19 of the Constitution on the ground that, that sub-section, while requiring the licensee to deliver the undertaking to the State Electricity Board, the State Government or the local authority pending determination and payment of purchase price, does not provide for the payment of interest on the purchase price of the undertaking for the period between the date of delivery of the undertaking and the date of payment of the purchase price. Unless the defect pointed out by the Supreme Court is rectified, the Gujarat Electricity Board will be compelled to return the Godhra electricity undertaking to the Godhra Electricity Company. This measure seeks to remove the defect pointed out by the Supreme Court in the aforesaid decision by suitably amending the Indian Electricity Act, 1910. Provision is also being made for validating the purchases of undertakings effected under the impugned sub-section (6) of section 6 of the Act before the commencement of this measure.

2. In view of the urgency of the matter, it is not practicable to consult the Consultative Committee of Parliament on Gujarat Legislation. This measure is accordingly being enacted without reference to the Consultative Committee.

R. V. SUBRAHMANIAN,
Secy. to the Govt. of India,
Ministry of Energy,
(Department of Power).
